Dina Khedr
BUSINESS CONSULTANT

Strategy that scales. Programs that deliver.

Dina Khedr partners with founders, institutions and development organizations to design growth strategies and national-scale programs, and see them through to measurable results. Eighteen years at the intersection of strategy, growth and national programs — turning complex mandates into clear direction and measurable outcomes.

TRACK A

Founders & Growth Companies

For founders and leadership teams ready to sharpen their position, enter new markets and build growth engines that outlast the launch.

Growth & Go-to-Market Strategy
Decide where to play, how to win and what to do first.

Brand Positioning & Architecture
Positioning, messaging and identity that make you the obvious choice.

Fractional Growth Leadership
A senior growth leader in your team, part-time.

Strategic Partnerships & Business Development
Partnerships, pipeline and the systems to grow B2B revenue.

TRACK B

Institutions & Development Partners

For universities, government bodies, donors and corporates that need programs designed, funded and delivered to measurable impact.

Program Architecture & Delivery
From blank page to funded, delivered and measured.

Ecosystem & University–Industry Partnerships
Connecting universities, employers and ecosystems at scale.

Flagship Summits & National Activations
Summits and campaigns designed for reach and results.

Proposal & Funding Strategy
Proposals designed to be selected — and delivered.

A DISCIPLINED APPROACH

Diagnose
Market, organization and stakeholders.

Architect
Design built for the realities on the ground.

Deliver
Execution, launch and team enablement.

Measure
KPIs, reporting and refinement.

WAYS TO ENGAGE

Strategy Sprint
Set direction · 2–4 weeks

Fractional Leadership
Embedded, part-time · 3+ months

Project Engagement
End-to-end scope · 1–6 months

Advisory & Workshops
Sessions and ongoing counsel

BRAINSMINGLE · 2026

BrainsMingle — Growth & AI Summit

Positioning, demand generation and community growth for an AI platform, culminating in a free 7-day virtual summit with 100+ speakers. Users grew 5K → 39K.

20K registrations in one month
